

Recent Misleading Communications: Very recently you have received an unsigned mailing from a property owner, John Underwood, regarding his opinion about the LPOA Fine Policy. The information in this mailing is NOT from the L'Esprit Property Owners Association or its Board of Directors. It is the policy of this Board to ensure that all official communications from L'Esprit will include your name, a signature, a return address, and a logo. Bob Vessels has also made 2 communications via email with misleading messages. Neither of these people serve L'Esprit in an official capacity. We are sorry for the invasion into your home, and the confusion they may have caused. (See below)
