L'Esprit ACC,

Tract 152-1 didn't receive a copy of three ACC member signatures and the board representative's signature regarding denial of our 11-18-23 fence application. Please either scan/email or mail that page, along with the corresponding ACC meeting minutes, Trish Henrion's 12-23-23 initial notice of denial (by email), and any preceding signed legal opinion which the ACC used to justify denial of the requested Declaration-compliant fencing on non-easement private property.

If any ACC member(s) opposition or abstention regarding this denial isn't denoted in the ACC meeting minutes, please verify as such in writing, otherwise a unanimous decision for the record will be presumed.

Kindest regards,

John Underwood
Co-Owner, Tract 152-1
